Like a Hurricane

Roxy Music

Once I thought I saw you In a crowded hazy bar Dancing on the light From star to star

Far across the moonbeam
I know that's who you are
I saw your brown eyes
Turning once to fire

You are like a hurricane
There's calm in your eye
And I'm gettin' blown away
To somewhere safer
Where the feeling stays
I want to love you
But I get so blown away

I am just a dreamer
But you are just a dream
You could have been
Anyone to me

Before that moment You touched my lips That perfect feeling When time just slips Away between us On our foggy trip

You are like a hurricane
There's calm in your eye
And I'm gettin' blown away
To somewhere safer
Where the feeling stays
I want to love you
But I get so blown away

Once I thought I saw you In a crowded hazy bar Dancing on the light From star to star

Far across the moonbeam
I know that's who you are
I saw your brown eyes
Turning once to fire

You are like a hurricane
There's calm in your eye
And I'm gettin' blown away
To somewhere safer
Where the feeling stays
I want to love you
But I get so blown away
