

Mother of Pearl

Roxy Music

Turn the lights down
Way down low
Turn up the music
Hi as fi can go
All the gang's here
Everyone you know
It's a crazy scene
Hey there just look over your shoulder oo oo
Get the picture?
No no no no...
(Yes)
Walk a tightrope
Your life sign line
Such a bright hope
Right place, right time
What's your number?
Never you mind
Take a powder
But hang on a minute what's coming round the corner?
Have you a future?
No no no no...
(Yes)
Well I've been up all night again
Party-time wasting
Is too much fun
Then I step back thinking
Of life's inner meaning
And my latest fling
It's the same old story
All love and glory
It's a pantomime
If you're looking for love
In a looking glass world
It's pretty hard to find
Oh Mother of Pearl
I wouldn't trade you
For another girl
Divine intervention
Always my intention
So I take my time
I've been looking for something
I've always wanted
But was never mine
But now I've seen that something
Just out of reach, glowing
Very Holy Grail
Oh Mother of Pearl
Lustrous lady
Of a scared world
Thus, even Zarathustra
Another time loser
Could believe in you
With every goddess a let down
Every idol a bring down
It gets you down
But the search for perfection
Your own predilection

Goes on and on and on and on
Canadian club love
A place in the country
Everyone's ideal
But you are my favorita
And a place in your heart dear
Makes me feel more real
Oh Mother of Pearl
I wouldn't change you
For the whole world
You're highbrow, holy
With lots of so
Melancholy shimmering
Serpentine sleekness
Was always my weakness
Like a simple tune
But no dilettante
Filigree fancy
Beats the plastic you
Career girl cover
Exposed and another
Slips right into view
Oh looking for love
In a looking glass world
Is pretty hard for you
Few throw away kisses
The boomerang misses
Spins round and round
Fall on feather bed quilted
Faced with silk
Softly stuffed eider down
Take refuge in pleasure
Just give me your future
We'll forget your past
Oh Mother of Pearl
Submarine lover
In a shrinking world
Oh lonely dreamer
Your choker provokes
A picture of cameo
Oh Mother of Pearl
So, so semi-precious
In your detached world
Oh Mother of Pearl
I wouldn't trade you
For another girl
