

## This Is Tomorrow

Roxy Music

Here in the hush of evenin'  
On a night in June  
Overhearin' conversations  
Bayin' at the moon  
Suddenly a voice I'm hearin's  
Sweet to my ear  
This is tomorrow's callin'  
Wishin` you were here

Layin' in my hotel bedroom  
Feelin' ceilin' blues  
Wall to wall a tv's twitchin'  
Clearly not a muse  
Then flashin' through the interference  
Beams a thousand tunes  
This is tomorrow callin'  
What have I to lose?

Truckin' by the railway station  
I'm on the road again  
Steerin' clear of all temptation  
Unto the point of pain  
When steamin' through on cue  
I hear that wailin' whistle blow  
If this is tomorrow callin'  
Oh what a way to go!

Day to day you live old fashioned  
Hi-toned, fancy free  
A double take, an image-spittin'  
Tailored to a t  
While history is tellin' you  
The same old thing  
This is tomorrow callin'  
Let's stick a new oar in  
This is tomorrow callin'  
Y'all 'n  
Come on in
