## As Long As I Live

As long as I live if it be one hour Or it be one hundred years I'll keep remembering forever and ever I'll love you, dear, as long as I live

It was easy said that night we parted That we'd forget we'd ever met I haven't forgotten, I wonder if you have Or if your heart is full of regret

As long as I live if it be one hour Or it be one hundred years I'll keep remembering forever and ever I'll love you, dear, as long as I live

I never thought that night we parted That life without you would be this bad It may sound funny but I can't forget you The only happiness I've ever had

As long as I live if it be one hour Or it be one hundred years I'll keep remembering forever and ever I'll love you, dear, as long as I live **Roy Acuff**
