

## Write Me Sweetheart

Roy Acuff

Write me sweetheart, I'm still in love with you.  
Troubleing mind, just where you left me.  
All alone so sad and blue.  
Worried heart of trouble and crying  
Write me sweetheart, I'm still in love with you.

You went away and left me crying  
In bygone days I thought that you were true  
Oh worried heart of trouble and crying  
Write me sweetheart, I'm still in love with you.
