

## You Win Again

Roy Acuff

The news is out all over town  
That you've been seen a running round  
I know that I should leave  
But then I just can't go you win again

This heart of mine could never see  
What everybody knew but me  
Just trusting you was my great sin  
What can I do you win again

I'm sorry for your victim now  
'Cause soon his head like mine will bow  
He'll give his heart but all in vain  
And someday soon you win again

You have no heart, you have no shame  
You take true love and give the blame  
I guess that I should not complain  
I love you still you won again
