

Gone

Roy Drusky

Since you're gone the sun, the moon, the stars in the sky
know the reason why I cry
Love divine once was mine now you're gone

Since you're gone my heart my lips my tear dimmed eyes
Lonely soul within me cries
I was smar broke your heart now you're gone

Oh what I'd give for the lifetime I've wasted
The love that I've tasted I was wrong now you're gone

Since you're gone the wheels have turned the fires have burned
Oh how my poor heart has yearned
Mistakes I've made now I've paid now you're gone

Oh what I'd give for the lifetime I've wasted
The love that I've tasted I was wrong now you're gone

Now you're gone now you're gone now you're gone
