

I Wonder Where You Are Tonight

Roy Drusky

Tonight I'm sad my heart is lonely I'm wondering if I'm wrong o
r right

To dream about you though you left me I wonder where you are to
night

The rain is cold and slowly falling upon my window pane tonight
And even though your love is colder still I wonder where you ar
e tonight

Your heart was so denied we parted as though I've tried with al
l my might

To forget about you though you left me still I wonder where you
are tonight

Well the rain is cold...

Yes I wonder where you are tonight oh I wonder where you are to
night
