

# I Wonder Where You Are Tonight

**Roy Drusky**

Tonight I'm sad my heart is lonely I'm wondering if I'm wrong or right

To dream about you though you left me I wonder where you are tonight

The rain is cold and slowly falling upon my window pane tonight  
And even though your love is colder still I wonder where you are tonight

Your heart was so denied we parted as though I've tried with all my might

To forget about you though you left me still I wonder where you are tonight

Well the rain is cold...

Yes I wonder where you are tonight oh I wonder where you are tonight
