

# Lock Stock And Teardrops

**Roy Drusky**

Someday I won't come running when you call  
The way you've hurt me it's a wonder I'm still here at all  
Someday you'll wake up and you'll find yourself alone  
Lock stock and teardrops I'll be gone

I can't go on the way you make me live  
You make me cry and every time expect me to forgive  
Someday you'll wake up to a cold and lonely dawn  
Lock stock and teardrops I'll be gone

Someday I'll find myself another town  
With a pool of sympathy to let my sorrows bound  
Someday you'll wake up find my strength and move along  
Lock stock and teardrops I'll be gone  
Lock stock and teardrops I'll be gone
