

Look Into My Teardrops

Roy Drusky

Look into my teardrops and darling, you will see
The reflection of an angel that made a fool of me
Look into my teardrops and you will see the eyes
That promised me so many things but all of them were lies

Look into my teardrops in the mirror of my soul
And you will see the girl who stilled my only world, but I couldn't hold
Look into my teardrops and you will see the one
That broke my heart forever, aren't you proud of what you've done?

Look into my teardrops in the mirror of my soul
And you will see the girl who stilled my only world, but I couldn't hold
Look into my teardrops and you will see the one
That broke my heart forever, aren't you proud of what you've done?
