

## My Love

Roy Drusky

My love is warmer than the warmest sunshine, softer than a sigh  
My love is deeper than the deepest ocean, wider than the sky  
My love is brighter than the brightest star that shines every night above  
And there is nothing in this world that can ever change our love

Something happened to my heart the day that I met you  
Something that I never felt before  
(You are always on my mind no matter what I do  
And every day it seems I want you more)

My love is warmer than the warmest sunshine, softer than a sigh  
My love is deeper than the deepest ocean, wider than the sky  
My love is brighter than the brightest star that shines every night above  
And there is nothing in this world that can ever change our love

Once I thought that love was meant for anyone else but me  
Once I thought you'd never come my way  
(Now it only goes to show how wrong we all can be  
For now I have to tell you every day)

My love is warmer than the warmest sunshine, softer than a sigh  
My love is deeper than the deepest ocean, wider than the sky  
My love is brighter than the brightest star that shines every night above  
And there is nothing in this world that can ever change our love

My love is warmer than the warmest sunshine, softer than a sigh  
My love is deeper than the deepest ocean, wider than the sky  
My love is brighter than the brightest star that shines every night above  
And there is nothing in this world that can ever change our love
