

Peel Me A Nanner

Roy Drusky

There I was in all of my innocence
Lovin' you with all of my might
Come to find I didn't have any sense
You had a different darlin' every night

Peel me a 'nana, toss me a peanut
I'll come swingin' from a coconut tree
Peel me a 'na-ana, toss me a peanut
You sure made a monkey out of me

I gave you kisses and I gave you lovin'
Tried to please your every little whim
At all added up to a big bad nothin'
Last night you upped and ran away with him

Peel me a 'nana, toss me a peanut
I'll come swingin' from a coconut tree
Peel me a 'na-ana, toss me a peanut
You sure made a monkey out of me

Peel me a 'nana, toss me a peanut
I'll come swingin' from a coconut tree
Peel me a 'na-ana, toss me a peanut
You sure made a monkey out of me

Peel me a 'nana, toss me a peanut
I'll come swingin' from a coconut tree
Peel me a 'na-ana, toss me a peanut
You sure made a monkey out of me

Peel me a 'nana, toss me a peanut
I'll come swingin' from a coconut tree
