

# Tis Sweet To Be Remembered

Roy Drusky

It's so sweet to be remembered  
On a bright or gloomy day  
It's so sweet to be remembered  
By a dear one far away

Tis sweet to be remembered  
Remembered remembered  
Tis sweet to be remembered  
When you are far away

As I travel on this world  
Just to soothe my roving mind  
The messages I get from a dear one  
Left behind

They were filled with sweetest words  
That's so touchy when I heard  
Marry me and I'll forget  
These are some things that she said

It's so sweet to be remembered  
On a bright or gloomy day  
It's so sweet to be remembered  
By a dear one far away

Tis sweet to be remembered  
Remembered remembered  
Tis sweet to be remembered  
When you are far away
