

# How Does It Feel

Roy Harper

D/C# G D5  
how does it feel to be completely unreal  
D/C# G D5  
how does it feel to be a voter  
D/C# G D5  
how does it feel to be a voluntary heel  
A5  
i wonder whose it is  
G5 D5  
i see it queueing up outside  
G5 D5  
saint peters gate

D Maj A Maj D ver2  
you can feel bonafide if you ride  
A ver2  
with the tide  
G D5- D\*- Dsus  
but it's not real

how does it feel to be out on your own  
how does it feel to be thinking  
how does it feel to be out on the run  
with the mindless world at your heels  
i wish i had no answers to put to you  
cos they've got me so high-tied  
i feel that most of me has died  
and it's very real

A5  
and outside on the dragon  
G5 D5  
and inside in the cold  
A5  
mummy's on the bandwagon  
G5 A5  
daddy's just getting old

D Maj A Maj D ver2  
and through the blood spew heavens  
D Maj A Maj D ver2  
the roar of lust complains  
D Maj A Maj D ver2 A ver2  
please let me in i have no sin  
G D5- D\*- Dsus  
-but i'm not real

how does it feel to be the masters right hand nose  
how does it feel to be lieutenant  
how does it feel to be stood on someone's toes  
with a leech bleeding you for rent  
you say you want a bit more rank  
you want to be a big wheel  
well you can feel magnified if you hide in your pride  
but it's not real

how does it feel to hold the white flag in your fist

how does it feel to have two faces  
how does it feel to have your god strapped to your  
wrist  
and him leading you such a chase  
you've got one set of words for him  
and another for me  
you're gonna feel mystified when you're identified  
but don't worry kid it's not real

and outside on the dragon  
and inside in the cold  
and outside on the dragon  
and inside in the cold  
mummy's on the bandwagon  
daddy's just getting old

and through the blood spew heavens  
the roar of lust complains  
please let me in i have no sin  
-but i'm not real
