

# Can't Be Touched

Roy Jones Jr.

Can't be touched  
Can't be stopped  
Can't be moved  
Can't be rocked  
Can't be shook  
We hot  
When will you niggaz learn

Came to get crunk  
Came to bring life  
Came to get it started  
Came to get it right  
Turn down the music  
Turn up my mics  
When will you niggaz learn

I mean what I speak  
I do as I say  
I hustle, I grind  
Don't get in my way  
I'm pimping my hoes  
I'm jacking my foes  
I spit at the police and duck my P.O.'s  
I ain't going to court  
You can call a judge  
Tell him kiss my ass  
Cause I ain't gonna budge  
And I ain't going back to lock up  
You trying to glock pop up  
I ain't going back to court  
And I'm never gonna stop the puffing  
Not for nothing  
The block they need me  
The streets they need me  
The club scene nigga  
Is mine believe me  
You don't believe me

Can't be touched  
Can't be stopped  
Can't be moved  
Can't be rocked  
Can't be shook  
We hot  
When will you niggaz learn

Open your hearts for me  
Look what I got for you  
You in the presence of greatness  
I'll make it hot for you  
Pass the rock to me  
Block and I'll run with it  
Here for the game  
And all the pussy that come with it  
So full of focus  
Insistent on keeping it going  
The Franchise, I exist in a league of my own

Expect attention unfamiliar with being ignored  
The truths back, Katies locking and closing the door  
Brick wall in the road  
I won't move  
The King  
I'm like Roy in the ring  
I can't lose  
Show the face of what compares to mine  
You want to war  
Mother fucker I ain't hard to find  
Now holla back, nigga

Can't be touched  
Can't be stopped  
Can't be moved  
Can't be rocked  
Can't be shook  
We hot  
When will you niggaz learn

I move when my heart say move  
Fierce like a lion  
Got nothing to prove  
Stubborn as a hot damn mule  
God in my corner  
Nigga can't lose  
Trying to take me out my hot damn shoes  
See how quick I jump up and give you bitches the blues  
They gonna see you on the hot damn news  
And that ain't even nothing  
Linking me to the crime  
Not a print, not a hot damn clue  
Beating these niggaz down  
Is what I came to do  
And I ain't playing bout a hot damn rule  
Shaking you niggaz down  
If you ain't paying your dues  
We passing up yo block and ohh  
My screws are loose  
Don't call my hands  
Cause you gonna make me act a hot damn fool  
Dead discussion, you will not win  
Cause I will not lose

Can't be touched  
Can't be stopped  
Can't be moved  
Can't be rocked  
Can't be shook  
We hot  
When will you niggaz learn
