California Blue

Working all day and the sun don't shine Trying to get by and I'm just killin' time I feel the rain fall the whole night through Far away from you, California Blue.

- R1: California Blue, dreaming all alone Nothing else to do, California Blue. Every day I pray, I'll be on my way Saving love for you,California Blue.
- R2: One sunny day I'll get back again Somehow, someway, but I don't know when California Blue, California Blue.
- 2. Living my life with you on my mind Thinking of things that I left far behind It's been so long, doing all I can do To get back to you, California Blue
- R1: California Blue...
- R2: One sunny day...
- *: Still missing you, California Blue Still missing you, California Blue Still missing you, California Blue
