

Cheyenne

Roy Orbison

I left Nabraska lookin' at sundown, needin' a shave and a bath
Wyoming night time could be a comedown, where do I go for a rel
apse?

Cheyenne, Cheyenne

Goofin' with the bar fly. pretty little green eyes sure can thro
w a smile

Head's in the right place, baby's got a sweet face, falls down
western style

Cheyenne, Cheyenne get me high an' keep me that way
Cheyenne, Cheyenne still try an' steal my heart away
Cheyenne, Cheyenne

Annie is a cowgirl, a here and now girl, she says she can make
me her man

She showed me how, I said "oh wow" I'll come again when I can

To Cheyenne, Cheyenne get me high an' steal my heart away
Cheyenne, Cheyenne stop your cryin', cos I'm here to stay

Cheyenne, Cheyenne, Cheyenne, Cheyenne, Cheyenne,
Cheyenne, Cheyenne, Cheyenne, Cheyenne, Cheyenne...
