

Congratulations

Roy Orbison

Congratulations for breaking my heart
Congratulations for tearing it all apart
Congratulations you finally did succeed
Congratulations for leaving me in need

This morning I looked out my window and found
A bluebird singing but there was no one around
At night I lay alone in my bed
With an image of you goin' around in my head

Congratulations for bringing me down
Congratulations now I'm sorrow bound
Congratulations you got a good deal
Congratulations how good you must feel

I guess that I must have loved you more than I ever knew
My world is empty now cause it don't have you
And if I had just one more chance to wind your heart again
I would do things differently but what's the use to pretend

Congratulations for making me wait
Congratulations now it's too late
Congratulations you came out on top
Congratulations you never did know when to stop

Congratulations
