Congratulations

Roy Orbison

Congratulations for breaking my heart Congratulations for tearing it all apart Congratulations you finally did succeed Congratulations for leaving me in need

This morning I looked out my window and found A bluebird singing but there was no one around At night I lay alone in my bed With an image of you goin' around in my head

Congratulations for bringing me down Congratulations now I'm sorrow bound Congratulations you got a good deal Congratulations how good you must feel

I guess that I must have loved you more than I ever knew My would is empty now cause it don't have you And if I had just one more chance to wind your heart again I would do things differently but what's the use to pretend

Congratulations for making me wait
Congratulations now it's too late
Congratulations you came out on top
Congratulations you never did know when to stop

Congratulations
