

# Crawling Back

Roy Orbison

Only you and no one else  
Can keep me crawling back  
You know I cant help myself  
And now I'm crawling back

After all you've done to me  
The times you've turned me down  
I still will be your clown  
Because I love you  
I'm crawling back

You know I would die for you  
Heaven knows how I have cried for you  
But what else can I do  
But crawl on back to you, ooh  
Crawling back to you

People stop they talk and they stare  
But they don't know that you really care  
That you're only lonely, and making believe  
And you need me around  
When the world turns you down

Whenever you might need me  
I will come crawling back  
Wherever you will lead me  
I will come crawling back
