Roy Orbison

Well they're dancin' down the corner put your best dress on
Get with it baby we're gonna go all night long
Yeah yeah, uh-uh, yeah yeah
Get ready right now we gonna dance on and on

Well, put those rings on your fingers bells on your toes
Get with that feeling baby body and soul
Yeah yeah, uh-uh, yeah yeah
Well I got the dancing fever we gonna dance all night

Well dance baby dance yeah dance baby dance
Uh-uh-uh, dance baby dance yeah yeah, dance baby dance
Oh yeah, alright, let's dance

Put those rings on your fingers bells on your toes
Get with that feeling baby body and soul
Yeah yeah, uh-uh, yeah yeah well I got the dancing fever
Baby let's dance all night
