

Drift Away

Roy Orbison

Day after day Im more confused
So I look for the light in the pouring rain
You know thats a game that I hate to lose
Im feelin the strain, aint it a shame

Oh, give me the beat, boys, and free my soul
I wanna get lost in your rock and roll and drift away
Oh, give me the beat, boys, and free my soul
I wanna get lost in your rock and roll and drift away

Beginning to think that Im wastin time
I dont understand the things I do
The world outside looks so unkind
Im countin on you to carry me through

And when my mind is free
You know a melody can move me
And when Im feelin blue
The guitars comin through to soothe me
Thanks for the joy that youve given me
I want you to know I believe in your song
Rhythm and rhyme and harmony
You help me along makin me strong
