

# Falling

Roy Orbison

I'm falling, I'm falling  
Falling in love with you

Baby, come closer, closer to me  
And listen, listen so carefully  
Remember all the nights that I told you, I love you  
It wasn't true, I used you and you were just someone new

To thrill this lonely heart of mine I was lying all the time  
Pretending to be falling in love with you

But it's different now, I've kissed you now  
So forgive me, forgive me somehow  
Hold me tight for tonight then tell me true

If you still love me, say that you love me  
Don't leave me now, now that I'm falling for you

I'm falling, I'm falling  
Falling in love, falling in love with you
