

Go! Go! Go!

Roy Orbison

Daniel is travelling tonight on a plane
I can see the red tail lights heading for Spain
And I can see Daniel waving goodbye
Ooh, it looks like Daniel, must be the clouds in my eyes

They say Spain is pretty, though I've never been
And Daniel says it's the best place that he's ever seen
And he should know, he's been there enough
I miss Daniel, oh I miss him so much

Oh, Daniel my brother you are older than me
Do you still feel the pain of the scars that won't heal
Your eyes have died but you see more than I
Daniel you're a star in the face of the sky

Oh, Daniel my brother you are older than me
Do you still feel the pain of the scars that won't heal
Your eyes have died but you see more than I
Daniel you're a star in the face of the sky

Daniel is travelling tonight on a plane
I can see the red tail lights heading for Spain
And I can see Daniel waving goodbye
Ooh, it looks like Daniel, it must be the clouds in my eyes
Oh god it looks like Daniel, must be the clouds in my eyes
