

## (I Get So) Sentimental

Roy Orbison

I get so ooh sentimental  
Darling when it comes to you,  
I'm just too ooh sentimental  
And its breaking my heart in two.

I said a-hey, hey now  
At the end of the day now,  
I get carried away now  
Thinking of you, ooh

How you looked that night,  
You kissed goodbye just right,  
Then turned away  
And I miss you night and day.

Hey, a-hey, hey now,  
At the end of the day now,  
I get carried away now,  
Thinking of you, ooh

Who holds you tight?,  
I wonder where you are,  
Are you alright  
For you know, I still love you,

But I'm just so sentimental,  
Baby because of you,  
Yes I'm just too sentimental  
And it's, breaking my heart in two...
