

(I Get So) Sentimental

Roy Orbison

I get so ooh sentimental
Darling when it comes to you,
I'm just too ooh sentimental
And its breaking my heart in two.

I said a-hey, hey now
At the end of the day now,
I get carried away now
Thinking of you, ooh

How you looked that night,
You kissed goodbye just right,
Then turned away
And I miss you night and day.

Hey, a-hey, hey now,
At the end of the day now,
I get carried away now,
Thinking of you, ooh

Who holds you tight?,
I wonder where you are,
Are you alright
For you know, I still love you,

But I'm just so sentimental,
Baby because of you,
Yes I'm just too sentimental
And it's, breaking my heart in two...
