

# Love Storm

Roy Orbison

I'm Caught in a love storm  
Yeah lost in a love storm  
I hate to complain about all this rain  
falling in my heart  
there's so much pain when I hear your name  
my teardrops start  
a lovestorm

I'm Caught in a love storm  
Yeah lost in a love storm  
why o why is my sky  
always cloudy and gray  
when o when will the sun come again  
and put to an end  
this lovestorm

Oh to have you  
then to lose you  
makes me wish  
I'd never been born

'cause you see  
since you left me  
I'm in a lovestorm

Oh to have you  
then to lose you  
makes me wish  
I'd never been born

Please oh please  
come back to me  
then I won't be  
in this lovestorm
