

# No One Will Ever Know

**Roy Orbison**

No one will ever know my heart is breaking although a million tears  
start to flow  
I'll cry myself to sleep and wake up smiling I'll miss you but  
no one will ever know  
I'll tell them we grew tired of each other and realized our dreams  
could never be  
I'll even make believe I never loved you then no one will ever  
know the truth  
but me

No one will ever know how much I'm pining  
Each time the past comes back to haunt me so  
No one will ever see the tears I'm hiding  
Yes you've hurt me but no one will ever know  
I'll tell them I've found true love with another  
And that I was glad the day you set me free  
I'll even make believe I never loved you then no one will ever  
know the truth  
but me
