

Ride Away

Roy Orbison

Two wheels a turnin'
One girl a yearnin'
Big motor burnin' the road

I'll ride the highway
I'm going my way
I'll leave a story untold

Pretty girls behind me but pretty girls are everywhere
Big motor wind up, ride away from here

Ride away

She won't approve of things I do or what I am
And I don't really give a I understand
But she'll never see that I'll never be
Any one but me

She thinks she needs me, she cries for me
But I know she's lying, crying for others to see
What can I say, I'll just ride away

Big motor run run (background) ride ride away
Ride on away from big motor run run
Heart-ache and misery

I'm bound to wander
Way over yonder
Someone be waitin' just for me

True love to cling to, I need a dream to share
Someone to know me, Someone to show me they care

Ride away, ride away
>From tears and sorrow
Like there's no tomorrow

Tonight I'll ride away
