

# Truly, Truly, True

Roy Orbison

I love you I do.  
I love you truly truly true.  
Truly true.  
If the world should end today, I could say.  
At least I've had my day with you.  
Truly true.  
Truly baby, I love you  
Truly, truly, truly true.

And for some the world may end.  
But for us it will begin again and again.  
Truly true, I love you I do.  
I love you truly truly true.  
Truly true.
