

Truly, Truly, True

Roy Orbison

I love you I do.
I love you truly truly true.
Truly true.
If the world should end today, I could say.
At least I've had my day with you.
Truly true.
Truly baby, I love you
Truly, truly, truly true.

And for some the world may end.
But for us it will begin again and again.
Truly true, I love you I do.
I love you truly truly true.
Truly true.
