

## What Now My Love

Roy Orbison

What now, my love, now that you've left me  
How can I live through another day  
Watching my dreams turning to ashes  
And my hopes into bits of clay

Once I could see, once I could feel  
Now I am numb, I've become unreal  
I walk the night without a goal  
Stripped of my heart, my soul

What now, my love, now that it's over  
I feel the world closing in on me  
Here come the stars tumbling around me  
There's the sky where the sea should be

What now, my love, now that you've gone  
I'd be a fool to go on and on  
No one would care, no one would cry  
If I should live or die

What now, my love, now there is nothing  
Only my last goodbye
