

# You Got It

**Roy Orbison**

Everytime I look Into your lovely eyes  
I see a love that money Just can't buy

One look from you I drift away and  
I pray that you Are here to stay

R: Anything you want You've got it  
Anything you need You've got it  
Anything at all You've got it

Everytime I hold you I begin to understand  
Everything about you Tells me I'm your man  
I live my life To be with you  
No one can do The things you do

I'm glad to give My love to you  
I know you feel The way I do
