

You Got It

Roy Orbison

Everytime I look Into your lovely eyes
I see a love that money Just can't buy

One look from you I drift away and
I pray that you Are here to stay

R: Anything you want You've got it
Anything you need You've got it
Anything at all You've got it

Everytime I hold you I begin to understand
Everything about you Tells me I'm your man
I live my life To be with you
No one can do The things you do

I'm glad to give My love to you
I know you feel The way I do
