

# Bleed My Soul

Royal Bliss

Sometimes I gotta bleed my soul  
Crawling it for in the morning  
All the nights I loose all control  
Never could go this life boring  
I care as much as any one else can  
I walk the line my people drag me down

Yeah!!

Woohooooa gonna bleed my soul  
yeeahea with rock and roll  
Woohooooa gonna bleed my soul  
yeeahea with rock and roll

See that stars thats far in the sky  
they seemed to be found in a curious line  
Nowadays I loose all my time  
Inbetween worlds that were for in

And I care as much as anyone else can  
Yeahea I live my live while people drag me down

Yeaheaaaaaaa
