

# I Don't Mind

Royal Bliss

What a lonely place this can be.  
My only friend is this guitar and page with the stories of my life.  
And I don't fear destiny.  
Like I don't fear what will take my life.  
And for you, I would gladly cross that line.

I don't mind. I don't mind. I don't mind  
I don't mind. I don't mind. I don't mind

Well I guess it's like you been told.  
I got a broken spine with a beat up soul.  
I don't blame you for being worried all the time.  
But I can make the choice.  
The only thing I have's my voice.  
I believe it if I have to. You decide.

And I don't mind. I don't mind. I don't mind  
No I don't mind. I don't mind. I don't mind

Cause I would do anything for you.  
Oh I don't mind. I don't mind. I don't mind

What I am  
I am

No I don't mind. I don't mind. I don't mind  
No I don't mind. I don't mind. I don't mind

What a lonely place this can be.  
My only friend is this guitar and page with the stories of my life.
