

I'll Be Around

Royal Bliss

If you take all of my power
I'll be around here waiting for your soul
I'd treat it well along with your memories
It's the only thing you haven't sold

'Cause you can't and you won't be around here when I lose control

Save all that's left over
Maybe then you'd realize what you had
Oh it's not much at least it was something
It's the only thing you'll never have

You can't and you won't be around here when I lose control
'Cause I'm right you're wrong this is not the ending to my song

I try to erase the past it's always been grim haunting me
I choose not to believe in ghosts or what they say

You can't you won't be around here when I lose control
'Cause I'm right you're wrong this is not the ending to my song
This is not the ending to my song
