

# Save Me

Royal Bliss

You don't know me  
No, you don't know a thing about love or life in between  
I'm screaming through your door, leave me tonight

How could you mean that she said  
Oh, I turn my back, my eyes full red  
I don't believe that she said  
You're out of your mind

I don't know why  
All I need is someone to save me, I believe  
I don't know why  
All I need is someone to save me, I believe  
And I don't know why

You turn on me and left me alone with my fate  
Oh, I know I'd leave myself inside  
I can't stop that fight

How could you mean that she said  
Oh, you turn my eyes so full of red  
I don't believe that she said  
You're out of your mind, yeah

I don't know why  
All I need is someone to save me, I believe  
I don't know why  
All I need is someone to save me, I believe

What about those times you left me alone in the bed  
Well, I didn't mean it  
All of those nights you swore that you'd call when you didn't  
Well, I didn't mean it

All of those times you tore me down and said  
Well, I didn't mean it  
What about the times you told me, you wish you were dead  
I did mean it

Why?  
All I need is someone to save me, I believe  
And I don't know why  
All I need is someone to save me, I believe  
And I don't know why, why  
I don't know why, why
