```
You don't know me
No, you don't know a thing about love or life in between
I'm screaming through your door, leave me tonight
How could you mean that she said
Oh, I turn my back, my eyes full red
I don't believe that she said
You're out of your mind
I don't know why
All I need is someone to save me, I believe
I don't know why
All I need is someone to save me, I believe
And I don't know why
You turn on me and left me alone with my fate
Oh, I know I'd leave myself inside
I can't stop that fight
How could you mean that she said
Oh, you turn my eyes so full of red
I don't believe that she said
You're out of your mind, yeah
I don't know why
All I need is someone to save me, I believe
I don't know why
All I need is someone to save me, I believe
What about those times you left me alone in the bed
Well, I didn't mean it
All of those nights you swore that you'd call when you didn't
Well, I didn't mean it
All of those times you tore me down and said
Well, I didn't mean it
What about the times you told me, you wish you were dead
I did mean it
Why?
All I need is someone to save me, I believe
And I don't know why
All I need is someone to save me, I believe
And I don't know why, why
I don't know why, why
