

# Wash It All Away

Royal Bliss

I'm fine, but I seem to cross that line  
It happens all the time  
You let me out of my cage

No, from all the nights before  
When I open up that door  
I come sliding in the line - not myself

"I don't feel right" I said  
Everytime I let my mind go to waste  
I know I'll regret  
As I slowly turn to god

And I feel like none of this is real  
Only if I taste it  
Sliding down my veins  
Now I'm going insane

With all the cards I hold,  
Tell me why the hell did I fold?  
Well I don't know, I'm scared I feel myself  
I guess that's why I'm screaming out:

"I don't feel right" I said  
Everytime I let my mind go to waste  
I know I'll regret  
As I slowly turn to god (slowly turn to pray)

It's a bitter pill  
I swallow it when  
It's a part of me

I know I'm never quite the same  
I wash it all away  
I wash it all away, yeah

"I don't feel right" I said  
Everytime I let my mind go to waste  
I know I'll regret  
As I slowly turn to god

"I don't feel right" I said  
Everytime I let my mind go to waste  
I know I'll regret  
As I slowly turn to god

I'm scared,  
With my hands cold  
I won't know  
My hands cold

And I will  
Oh, I will waste it all away  
Waste it all away
