

Will You Wait For Me

Royal Bliss

Take all your favorite thoughts of me
Keep them close inside so you will always see
One time I was there for you not so long ago
In you I'll always have what I can call my home

Will you wait for me... I'm so afraid to leave
So will you wait for me... I'm so afraid

I can't be strong enough alone
And I can't feel you close enough over this phone
You always said I choose the life of a lonely one
I don't know where I'm going but I'll see you when I'm done

Will you wait for me... I'm so afraid to leave
So will you wait for me... I'm so afraid to leave...

I've always told myself I cannot fail
But if I lose you then I will

Will you wait for me... I'm so afraid to leave
So will you wait for me... I'm so afraid to leave... to leave
Will you wait for me
