

Come on Over

Royal Blood

I'm on a train going nowhere
I ran away to make you care
this ain't my house this ain't your home
not when I'm feeling this alone

So come on over yeah,
I went to church and stopped believing
Yeah so come on over yeah,
Well there's no god and I don't really care

Let's run away, get out of here
I got no money and I don't care
This ain't my house this ain't your home
not when I'm feeling this alone

So come on over yeah,
I went to church and stopped believing
Yeah so come on over yeah,
there's no god and I don't really care,
I don't really care

I'm on a train going nowhere
I ran away to make you care
this ain't my house this ain't your home
not when I'm feeling this alone

So come on over yeah,
I went to church and stopped believing
Yeah so come on over yeah,
Well there's no god and I don't really care
