

A Bronx Hello

Royal Crown Revue

Here's A little taste of a
Bronx hello
When the heavies meet, you know
They're nice and mellow
The gans start to fibbin'
And begins to shout
The heaters start a heatin' and
POP, you're out

Forty Gut Jimmy was a jellybean
Moving up the street
For a bloodhouse queen
Frog eatin' Jackie was a barber's cat
Tailin' old Jimmy for a bit of fat

Well the hard egg shells
He caught in the head gasket
The next thing you know, Jim was
Wearing Revlon in a casket

The hallelujah syrup
He began to drink
In no time Lucy sittin in the clink
The Barbeque stool
Jackie got to know
And that's a little skip on the Bronx Hello
