

## A Bronx Hello

Royal Crown Revue

Here's A little taste of a  
Bronx hello  
When the heavies meet, you know  
They're nice and mellow  
The gans start to fibbin'  
And begins to shout  
The heaters start a heatin' and  
POP, you're out

Forty Gut Jimmy was a jellybean  
Moving up the street  
For a bloodhouse queen  
Frog eatin' Jackie was a barber's cat  
Tailin' old Jimmy for a bit of fat

Well the hard egg shells  
He caught in the head gasket  
The next thing you know, Jim was  
Wearing Revlon in a casket

The hallelujah syrup  
He began to drink  
In no time Lucy sittin in the clink  
The Barbeque stool  
Jackie got to know  
And that's a little skip on the Bronx Hello
