

## Besame Mija (baille Para Qui)

Royal Crown Revue

Baille para qui  
Let the rhythm spark desire  
Smile slyly as you move  
Besame Mija You're my fire

So come on dance with me  
Try the sparkle in your eyes  
Swirling through the smoke and booze  
Come on lover won't ya try

Let yourself sway, let yourself shine  
Let's play a game  
Pretend you're not mine

So Baille para qui  
Let the rhythm spark desire  
Smile shyly as you move  
Besame Mija you're my fire
