

Boogie After Midnight

Royal Crown Revue

Well, now you like to boogie
And I like to rock
We get together
Dance around the clock

We boogie at midnight
We boogie after midnight
We jump, swing
We jive an' wail 'round midnight

Well you want to get high
You gotta good point
We get together
Rock this joint
We boogie at midnight
We boogie after midnight
We jump, swing
We jive an' wail 'round midnight

Boogie, Boogie at midnight
Boogie, we gonna boogie 'till midnight
Boogie, boogie at midnight
Gonna boogie after midnight
Well we boogie at midnight
Boogie, boogie, boogie, baby
Boogie at Midnight
