

## Mugzy's Move

Royal Crown Revue

Mugzy's in the mood for losing cat  
He's gonna beat it downtown to where it's at  
Hocks his axe for some cash and a mess of blues  
When sickness drowns his fear  
The line becomes unclear  
Well, just one more black day

How great is his need  
A flowering bad seed  
Well he's dying from his thirst cut off from all ties  
Then he'll realize

He's gonna drown  
In that hat full of rain  
With a heart full of pain

And how can you live with a hat full of rain?  
And a soul full of pain

How great is his need  
A flowering bad seed  
Well he's dying from his thirst  
Cut off from all ties  
Then he'll realize  
He's gonna drown  
In that hat full of rain  
With a heart full of pain  
And how can you live with a hat full of rain?  
And a soul full of pain
