

Stormy Weather

Royal Crown Revue

I don't know why
There's no sun up in that sky
It's stormy weather
Since me and my gal ain't together
Keeps rainin' all, all the time

Life is bare
Gloom and misery's everywhere
It's stormy weather
Can't get my poor self together
Keeps rainin' all, all the time

Well now, since you went away
The blues walked in and met me
And if you don't come back to stay
This rocking chair may get me
[Incomprehensible] with pain
The Lord above will let me
Walk in the sun once more

And I can't go on
Ev'ry thing I had is gone
It's stormy weather
I can't get my poor self together
Keeps rainin' all, all the time

Well now, since you went away
The blues walked in and met me
And if you don't come back to stay
This rocking chair may get me
[Incomprehensible] with pain
The Lord above will let me
Walk in the sun once more

And I can't go on
Ev'ry thing I had is gone
It's stormy weather
I can't get my poor self together
Keeps rainin' all, all the time

Rainin' all the time
Rainin' all the time
Rainin' all the time
Rainin' all the time
Rainin' all the time
