

# Viva Las Vegas

## Royal Crown Revue

Bright light city gonna set my soul  
Gonna set my soul on fire  
Got a whole lot of money that's ready to burn  
So get those stakes up higher

There's a thousand pretty women waitin' out there  
And they're all livin' the devil may care  
And I'm just the devil with love to spare  
Viva Las Vegas, Viva Las Vegas

How I wish that there were more  
Than twenty-four hours in the day  
Now even if there were forty more  
I wouldn't sleep a minute away

Oh, the black jack and poker and the roulette wheel  
A fortune won and lost on every deal  
All you need's a strong heart and a nerve of steel  
Viva Las Vegas, Viva Las Vegas

Viva Las Vegas with you neon flashin'  
And your one arm bandits crashin'  
All your hopes down the drain

Viva Las Vegas turnin' day into nighttime  
Turnin' night into daytime  
If you see it once  
You'll never be the same again

I'm gonna keep on the run, I'm gonna have me some fun  
If it costs me my very last dime  
If I wind up broke then I'll always remember  
That I had a swingin' time

Well, I'm gonna give it everything I've got  
A lady luck please, let the dice stay hot  
And I'm gonna seven with every shot

Viva Las Vegas  
Viva Las Vegas  
Viva Las Vegas  
Viva, Viva Las Vegas
